

FOOD/FUND DRIVE TOOLKIT

We are so excited that you have decided to host a food drive to help your community, and we hope this tool kit will be valuable while you prepare for your kick-off! Last year, we distributed OVER 20 million pounds of food to our neighbors experiencing food insecurity, and we couldn't have done that without your help! One of the BEST WAYS to support Second Harvest of South Georgia is to host a food and/or fund drive.

FUND DRIVE: If you would like to host a Fund Drive, we can create a custom donation page for you, and you can raise funds rather than physical food! Fund Drives are beneficial because a \$1 donation provides 8.77 meals, making your dollar stretch further. We can purchase food at a much lower cost than at a grocery store and buy exactly what we need. Your Fund Drive can be completed separately or concurrently with a Food Drive. To register your Fund Drive, please email Janna Luke at jluke@FeedingSGA.org.

FOOD DRIVE - GETTING STARTED: What's your plan? What is your goal for the campaign? 500 lbs.? 1,000 lbs.? 10,000 lbs.? Be reasonable but set your goals high! What containers do you need for collections? How many do you need? Can you use your own, or do you need to borrow from the Food Bank? Second Harvest has collection boxes, and you are welcome to use them, pending availability! What is the date of the event? How long do you plan to collect? We suggest anywhere from two weeks to one month, depending on the goal. Once you have made your plan, register your event with Second Harvest of South Georgia. You can do this by emailing Tyler Hooks at thooks@FeedingSGA.org.

SPREAD THE WORD: Use flyers, posters, social media, in-person meetings, and more! Communicate the event details to ensure people know what's going on and why you're hosting one, so you will have the most significant level of participation!

COMPETITION CAN DRIVE THE DRIVE: A little competition can make a difference! Set up teams, companies, classes, or friends to go against each other in a "who can collect the most food" donation competition!

GETTING YOUR FOOD DONATIONS TO THOSE IN NEED: Second Harvest can only assist with picking up your food donation if you collect more than 1,000 items. Delivering your food donation directly to one of our warehouses will keep SHSG's truck drivers dedicated to delivering food, including contributions like yours, to our Agency Partners throughout our service area. Thank you for helping Second Harvest save on transportation expenses so we can feed more hungry people. Please have your food drive boxes on the first floor near a main entrance or docking area so the driver can easily load your donation on the truck.

FOOD DRIVE MOST NEEDED ITEMS

We encourage donations to be HEALTHY, LOW-FAT, LOW-SODIUM, AND LOW-SUGAR products.

- Canned Meat
 - Chicken, Tuna, Salmon, etc.
- Canned Vegetables
